I ONLY ACCEPT PAYMENT ON PAYPAL

<https://www.paypal.me/sorachii>

- *No refunds!* Please be sure to go over the procedure and think carefully about what you want
- I will start drawing your commission after you make your payment
- (I try to be professional; Bare with me QwQ)

☆Process☆

- DM me to request commission along with what kind of commission you'd like

*At the moment, I'm only doing digital or a mix of digital/traditional

- Make payment upon mutual agreement
- I create a sketch and send a pic to you to get your approval, then proceed to outline

*Once it's lined, you **CANNOT** make any changes to the shape of the drawing*

- Proceed to color the lined drawing
- I'll send you the file via mail
- It'll be nice to tell me if you've received it uwu

PLEASE BE SPECIFIC WITH YOUR COMMISSION REQUEST

- Please send things like a colored reference pic, what pose you want, etc
- Less specific = more creative liberty for me
- More specific = drawing turns out more like what u imagine
- For digital, I'll be sending the image file via email on a jpeg file (be sure to give me ur email address)

If you're gonna use the commission for profile pics, repost it, etc, pls credit me somewhere

Thinks I Won't Draw:

- NSFW / Ecchi (for obvious reasons)
- Mecha (...)
- Bara (Dunno what to say; Muscles are hard ; - ;)
- Furies/Animals (I specialize in drawing humans; if they're half, it might be fine uwu)
- More than 3 people in one draw (2 is my limit)

Liability

I'm not liable for any damaged or lost commissions after it's handed over to the post office for shipping. That's not on me. Blame the mailman for mismanaging your mail ̄-̄.
