Dear Parents:

2024-2025

This letter is written to remind you that your student will be taking the NCEXTEND1 the last ten (10) days of school. This test is on your student's IEP and was explained during the IEP meeting. The NCEXTEND1 is our state's version of end of course test for our students. Your child's teacher will administer the test so they will be with a familiar person. Truly, your child's day and care will not be affected.

If you still have questions/concerns, please feel free to contact your school's test coordinator, Linsey Morgan-Guyette at (336) 375-2575. She will be more than happy to talk with you and address any of your concerns.

- Reading and Math will be given to students in grades 3-8 and 10.
- Science will be given to students in grades 5, 8, and 10.

Thank you so much for your cooperation. Nothing needs to change regarding your routine at home. We plan to go about our day as usual even with the testing process.

Sincerely,

Sara Jones, Principal
