

Hello [Name],

My name is Ramez Ben Taher, and I'm a digital marketing expert experienced in helping businesses, particularly in the health industry, reach new heights.

I came across your profile and was truly impressed by your achievements as a skincare brand. I see potential in what you're doing, and I'm excited to offer my expertise to take your brand to the next level.

I want to assure you that this isn't a run-of-the-mill outreach. Before reaching out, I have done market research for your brand.

In a recent collaboration with a client in a similar field, we achieved outstanding results - a revenue increase of over \$1000 in a single month and a boost of +500 subscribers to their newsletter.

One more thing: I'm offering my services completely free of charge until we achieve the results we discussed. This way, it's a win-win situation for you.

I'd love to have a conversation with you, to explore how we can elevate your business together. Let's schedule a call at your convenience.

I am looking forward to the opportunity.

Warm regards,

Ramez Ben Taher
