***\*Unfinished Business:***

**a) VP Jerry Pointer has, over the summer, reviewed the club policies and procedures and has consolidated some of it. Once the Exec Committee reviews it, it will be put on the website for club member review.**

**b) Silent Racquets-Policy reviewed. Nomination was made to add an additional name to the Silent Racquet Plaque. Current names to be added are Dave Dube' and Gene Miller. Jean Hames and Jim Maunu were added this summer.**

**c) Roger Stein – The courts are in good shape. I got verbal approval from Robin that the HOA is going to replace the drinking fountain at the North Cts. I want to THANK the following: Dick Schwartz helped with wind screens and blew off courts in preparation for the washing. Frank Catalano put up the flags. Leak in the kitchen was fixed by Roy Lyonnais. John Berger welded a squeegee. Dave Barnes and crew researched the right paint to repaint the green composite benches. Don Wogen and Jerry Pointer mounted the monitor in the North Snack Shack. Wayne**

Hall adjusted the clocks adjusted the clocks w/o being asked. Ct washing went well. It seems it is always the same people that help. If someone wants to take the responsibility to organize cleaning them more often, I am willing to help. Any electricians in our midst that could help the club? Electrical outlets for some reason take a beating and need to be serviced often. After the meeting, new Tennis Member, John Snyder offered to help with the electrical issues. Earl will take care of replacing the tattered Canadian flag. It really takes a “village” i.e., SSV to take care of our tennis courts. Thanks to everyone that has found a way to help.
