WHO ARE WE?
Relaunch Nation is a Christian Church focused on the holistic development of people, communities, and families. It is our desire to cultivate believers to live, lead and love and grow the way God desires while drawing closer in meaningful worship, fellowship, and relationship to Him!

OUR MISSION:
Relaunch Nation operates as a Kingdom-Driven, Christ-Centered Ministry where believers of all levels can freely experience God over and over again!

OUR PILLARS:
The 4 Pillars of our Church are to:
•HONOR GOD (Adoration)
•LOVE PEOPLE (Godly Consideration)
•ENACT CHANGE (Positive Transformation)
•EMPTY HELL (Salvation)

OUR COMMUNITY:
Relaunch has the ability to serve as a multigenerational congregation that is always mindful to honor God, while respecting the wisdom and experience of our seniors and appreciating and supporting the growth, development, and added necessary value of the next generation.

VISION STATEMENT
It is our vision to be a healthy ministry that forever evolves and remains spiritually and socially relevant in its desire to bring people from all walks and stages of life into a unified family of faith. One that promotes positive progression understanding that our history doesn't have to dictate our destiny!
