

Max sat in the locker room with his eyes closed practice had ended, and he was tired. At sixteen he was the youngest member of his varsity travel team with most of the his teammates being eighteen. Max felt his head grabbed from behind, he opened in time to see himself being shoved into a jockstrap.

“Come on smell it, worship my mighty cock!” He heard a voice say as he tried to hold his breath. After several seconds he was released, and took a deep breath.

“Seriously Hunter?” He asked looking up at his teammate. Hunter was the mammoth of the team. He was six feet four inches tall with a bit of a gut, he had jet black hair with pale blue eyes. This type of mockery had become normal the past few weeks since he, and his friends had to change in a cramped camp shower house. The only thing worse than the cramped space was the other guys seeing his penis, and making fun of him because of it’s size. Max had always been small in that area, but he never knew he was so much smaller compared to everyone else.

“Making him worship it?” A voice cut through Max’s thoughts. He looked up to see his friend Haden. Haden was the jock of the group there was not a day in his life that he was not in some type of sport, and somehow he was almost the best at all of them. He was only five foot five, but his muscles, and his pectorals which protruded out of any shirt he wore, could make you forget his height easily.

“Of course.” Hunter laughed.

“Guys seriously, the joke is not even that funny, I get it I have a small dick, but I don’t think that...” Max was interrupted by Haden grabbing his head, and shoving it into his bulge.

“Gosh they get so whiney when they can’t smell it!” He joked, before letting Max go. Max looked up seeing Carter, and Nate walking towards them.

“Another round of worship?” Carter asked reaching them. He was the smartest of the group, and didn’t play baseball. He spent most of his time in the computer labs at the school, and library. Somehow he still had a natural muscular build. He was of average height with brown hair.

“Yes, but you’re still banned after last week.” Hunter said.

“Look It’s not my fault he was in my bulge when Susan Smith came on TV, and you could see her nipples through that shirt she was wearing! Anyone of you would have gotten a boner too!” Carter defended himself. Max shivered as he remembered the boner incident.

“Still banned...” Haden said shaking his head. “But, Nate we are still waiting for you to take your turn!” Nate looked up from his phone embarrassed before shoving it into the band of his speedo. He looked around for a second before realizing what was going on.

“Oh, no thanks guys.” Nate said.

“Damn it.” Max thought. Although the other guys constantly shoved his face into their bulges, Nate was the only one Max actually wanted to do it. Nate was the wildcard of the group. He only swam, but did that all year round. He had a nice swimmers body with a cute firm ass, and huge bulge. Max had had a crush on him since they met two years ago.

“New hair color?” Max asked Nate as he looked up.

“Yep fire orange!” Nate said showing off his new orange hair. “And before you ask Hunter, yes I colored down there as well.

“Damn that is dedication!” Hunter said. “Maybe you can do some work on teeny weeny over there so his dick looks digger.”

“Seriously Hunter?” Max said rolling his eyes. Hunter, Hayden, and Carter shared a look that Max caught. “Don’t you guys even think about it!” Before he could react Carter had stripped down to his boxers, and all three were circling him. Max tried to shove Haden back, but it was too late. Three shoved their bulges into his face, he couldn’t move with all three surrounding him shoving their bulges in his face.

“Worship your alphas!” Haden yelled.

“Worship! Worship! Worship!” The other two joined in. Haden started to slip off his jockstrap when they heard a door opening, and voices following. Within seconds all of the boys including Max were dressed, and outside.

“You guys are assholes, and that was close.” Max muttered as he turned down the road towards his neighborhood.

“Bye Max can’t wait for you to worship tomorrow!” Carter called out as he, Hunter, and Haden walked away. Nate caught up with Max.

“I’m staying the night at my dad’s tonight so I can walk with you a bit.” He said strolling next Max. Max was surprised, Nate had been unusually quiet, and he had almost forgotten he was with them. Max looked over to see Nate was still in his speedo as they walked. “Sorry they are jerks to you.” Nate said as they strolled

“Thanks.” Max said as they reached his house. “Well see you tomorrow!” Max said walking inside. Nate waved bye, and kept walking towards his house.

“Max A package arrived for you!” Max heard his mom calling from the kitchen.

“I didn’t order anything!” Max yelled running up to his room.

“Well it’s in your room dear.” His mom yelled from the main floor.

Max shut his door behind him putting his backpack next to the door. The day had left him exhausted, and he just wanted to relax. He sat down on his bed grabbing the package off of the nightstand.

“I really don’t remember ordering anything.” He thought to himself as he started to open it, inside the package was a small plastic ring with the symbols “發展” written on it. “Oh god, is this a cock ring?!” He thought taking the ring out of the package. The was red with the letters in gold, he found it was very flexible, and even stretched as he messed with it.

“Honey I’m going to the store i’ll be back soon!” He heard his mom yelling from down below followed by a door slam.

“Well if mom is gone...I guess there is no reason I can’t just try this once” He thought to himself unbuttoning his pants. He slipped off his underwear looking at his small penis, he sighed as he saw it. With the guys making comments about it, it was seeming smaller than ever before. He stroked himself for a bit getting himself hard, he slipped the ring over his cock. To his surprise it fit tightly causing his cock to throb.

“Wow this feels really good!” He thought to himself “Why does it feel like....uhhh.” Max stopped he suddenly felt the cock ring tighten, and the throbbing increase. He couldn’t believe his eyes his penis was rapidly growing before his eyes, within moments his cock had grown larger than any of the other guys.

“Holy shit!” He thought to himself watching the results. The cock ring snapped off, breaking into pieces, before the growth stopped. Max touched his cock to see if it was all real, and it was. His small penis had grown into a massive throbbing one within minutes.

“Bet the guys won’t make fun of this!” He thought to himself as admired his growth.

The next day Max couldn’t wait for practice to end. His new huge cock filled up his jockstrap making his bulge more than noticeable, he was even willing to pull it out to stop the torment. To his surprise Hunter was the only one who had been at school that day, but Max wasn’t going to wait. Hunter walked up to Max in only his jockstrap, and Max knew what was about to happen.

“Ready to worship max?” Hunter said grabbing Max’s head.

“Wait!” Max shouted before Hunter could begin. Hunter paused allowing Max to stand up.

“Well what is it?” Hunter demanded.” Max said nothing, but undid his pants allowing them to drop the ground. Hunter was amazed at what he saw, Max’s bulge was huge, and easily visible through his jockstrap.

“Holy shit dude! When did that hap...” Hunter paused mid sentence sniffing the air. “Do you smell that?”

“No?” Max replied confused. He watched as Hunter’s eyes grew large for a moment, and then went blank. “Hunter?”

“Must...worship...” Hunter replied blanky shoving his face into Max’s bulge. Max was surprised by his friend’s actions, but as Hunter stuff his face into Max’s bulge sniffing it, and licking his jockstrap Max couldn’t deny that it felt good. He grabbed Hunter’s head pushing it deeper.

“Thats right boy, keep worshiping” Max said as Hunter mindlessly continued. Hunter continued to inhale Max’s scent clouding his mind even more. “Ok boy that’s enough for now.” Max said cutting Hunter off. Hunter stood up eyes still showing how blank his mind was. Max packed up his bag changing into a pair of shorts, and heading home.

Max arrived home running up to his room. He got onto laptop searching for reasons that a guy would suddenly act like that.

“Damn nothing.” He cursed aloud. “I wonder if Carter would know anything about this?” He thought to himself pulling out his phone, and calling Carter.

“Hey Carter, it’s Max I’ve got an odd question...” He said

“Go ahead can’t be worse than something Hunter would ask me.” Carter replied.

“Well my question is, what would erm, make a guy suddenly feel submissive to another guy?” Max spoke cringing at his own question.

“Haha finally enjoying the worshipping?” Carter joked. “But in all seriousness, I guess a certain pheromone change in a male could make others see him as an Alpha. Why are you asking this?”

“No reason, just something I was wondering....say do you want to meet up somewhere, I have something to show you?” Max asked.

“Sure, I’ll be at the computer lab in the library all night if you want to come here.” Carter replied, and for the first time Max heard the clicking sounds of keyboards in the background.

“Sure i’ll be there in an hour.” Max said hanging up, he needed to see how carter would react. He changed into his jockstrap because it showed off his bulge in all its glory, and slipped a pair of shorts over it.

He arrived at the library walking over to the computer lab, it was empty except for Carter who was sitting in the back typing away on the keyboard. Max walked up behind him to see what he was writing. Max was surprised to see him writing a fanfiction.

“Carter.” Max said tapping on his shoulder. Carter shut the window panicked turning around.

“Uh hey Max, what did you need?” he asked trying to play it off.

“I just wanted to show you something.” Max said looking around to make sure the lab was empty. He pulled off his shorts revealing his bulge.

“Woah dude. I mean, I am excited for you and congrats, but this is a public library.” Carter said, then stopped sniffing the air. “oh...god” Carter looked Max up, and down for a second as his eyes filled with the same blankness that Hunter’s had. Carter eyed Max’s bulge, and Max took notice.

“Go on it's ok.” Max said, and without delay Carter buried his face into Max's bulge inhaling deeply.

“Alpha...” Carter said through his inhaling. Max smiled, he couldn't explain what was happening, but he loved it. Unexpected to him, Carter pulled off Max's jockstrap letting his cock flop out. Max pushed Carter away pulling up his jockstrap, and shorts. Carter looked hurt as he watched Max.

“Don't do that!” Max snapped. Max started leave, but Carter stopped him before he could leave the lab.

“Can I come with you?” He asked his eyes between a mixture of blank mindlessness, and his normal self. Max stood there for a second, he knew his parents would be gone until the end of the weekend, but he didn't know if he should. “Please let me.” Carter begged.

“Fine.” Max said giving in. “But you have to show up in an hour once my parents leave.”

“Yes ok! Thank you!” Carter said gleefully.

Max waited at his house, his parents had just left leaving Max alone in the house. He looked at the clock it had been twenty five minutes since they had left, and Carter had still not shown up. He was about to give up when he heard a knock at the door. He opened the door, and to his surprise Carter was standing there naked. Max pulled him inside making sure none of his neighbors had noticed.

“What are you doing?!” Max demanded.

“I'm sorry...my head, and it just...” Carter trailed off as his eyes went blank again.

“Well I guess whatever that is, is fine...I guess.” Max said. He noticed Carter was eyeing his pants. “Oh so that's what you want.” He said dropping his pants.

Carter's eyes lit up immediately seeing Max's bulge. He instantly shoved his face into it inhaling deeply.

“Thank you sir!” Carter said.

“Sir?” Max thought to himself. “I really need to find out what is making this happen.” Max removed the worshipping carter from his bulge. “Carter explain this all to me.” He said outloud.

“Your scent... it’s so addicting, and wonderful, and it makes me....” Carter trailed off, but Max didn’t need him to finish, he had noticed Carter’s erect cock when he had pushed him off. Now his cock was dripping with cum as he stood there.

“Hmm I wonder” Max thought slipping off his jockstrap. Carter’s eye lit up even more. Max stroked himself until he was hard letting his cock hang in front of Carter. Carter stared at Max’s cock for several seconds before moving. Carter got on his knees shoving Max’s cock into his mouth, and began to suck.

“oh...OH!” Max moaned as Carter sucked away. Max felt his cock throbbing as Carter sucked, he had never felt a pleasure like this before. Max continued to moan as his cock was sucked, he felt his body tense up as he shot cum into Carter’s mouth. Carter swallowed happily.

“Holy shit!” Max said aloud as Carter stood up.

“Did I do good?” Carter asked his cock was rapidly dripping cum.

“Yes you did.” Max said yawning. “I think it’s time to go to sleep, I’ll put the air mattress out.”

“I don’t need that.” Carter said mindlessly. “I will gladly sleep in your bed.”

Max woke up, Carter was laying next to him naked with his cock in his hand. Max nudged Carter trying to wake him.

“Hey man wake up, We’re late for class.” Max said nudging his friend. Carter woke up with a groan, the mindlessness seemed gone from his eyes, yet he still seemed different.

“Fuck...” He groaned. “I need to borrow some clothes dude.” He said getting up, and stretching.

“Yea just take whatever.” Max said getting up himself before pausing. “Hey Carter quick question, what did we do last night?”

“I came over, and then sucked your cock dude. How could you forget that?” Carter asked without pausing.

“I didn’t, I just didn’t think you would...” Max muttered under his breath confused by Carter’s behavior. He looked over watching as Carter slipped on a pair of boxers. Max walked over to his dresser pulling out a jockstrap, and slipping it on.

“You’re wearing a jockstrap as underwear?” Carter laughed as he finished dressing.

“It's more comfortable than boxers, and I have to change less between school, and sports.” Max replied slipping on a shirt.

The pair arrived in school in time for fourth period. Luckily for them they had a substitute, and they easily snuck in sitting down next to Haden.

“You two look like you just made a walk of shame.” Haden joked. “but seriously where have you two been?”

“I spent last night over at max's, we were up late.” Carter said simply.

“Yea sorry just woke up.” Max agreed.

“whatever, you guys hear about Nate?” Haden asked.

“No what happened?” Max asked concerned.

“I guess his dad surprised him with a vacation to the Bahamas. He is going to be gone for the next week.”

“Wow thats awesome.” Max said a bit disappointed. He still wasn't exactly sure what was causing the guys to act like this, but if anyone of them would act like Carter did last night, he would want it to be Nate.

“Oh hey Max, didn't you need to show Haden something before practice?” Carter asked as the bell rang for lunch. “You could probably show him during lunch.”

“huh?...Oh yea yea, I do I guess I could show you in the locker room after we eat.” Max said surprised.

“Cool meet you there.” Haden said leaving for lunch. Max turned to Carter.

“Why did you suggest that?” He asked.

“He's the alpha, he is going to be the hardest to get to worship you like I did, and Hunter did. You need him to bow to you.” Carter said chasing after Haden.

Lunch ticked away quickly, and with each passing moment Max became more nervous. Lunch still had twenty minutes left when Carter pulled him from the table.

“We need to go now.” Carter said walking with Max to the locker room. Max looked back to see Haden getting up slowly after they did and following them. The trio entered the locker room shutting the door behind them.

“So what did you want to show me?” Haden asked breaking the silence that had been filling the room.

“Right.” Max said unbuttoning his jeans, and pull them down.

“Oh my god this is too great!” Haden laughed. “You stuffed!?!”

“What? NO!” Max shouted angrily. “This is all mine!”

“Prove it then.” Haden said still laughing. Max was pissed at Haden’s reaction, taking a deep breath in he pulled off his jockstrap revealing his cock. “Holy shit dude you were telling the truth.” He said in disbelief.

“It’s bigger than yours.” Max said still filled with rage. “Worship it!” He yelled his face turning red.

“Whoa calm down man I know we made fun of you, but this isn’t funny.” Haden said taking a small step back. All of the times Haden had humiliated him suddenly passed through his memory, making him even madder. He grabbed Haden’s head in one swift motion, and brought it down to his cock.

“Worship it.” He said one more time.

“Please stop Max! I’m sorry! I’m...” Haden paused mid sentence as he inhaled. Max watched as his eyes filled with the same blankness that Hunter and Carter had been filled with. Max breathed out deeply regaining his calm.

“Fuck, fuck FUCK!” Max shouted pacing around as Haden stood blankly staring at Max.

“What is the matter?” Max turned around to see Hunter in the doorway.

“I made him...worship it. I did it against his will.” Max said looking down.

“It’s ok, it’s for the best.” Hunter said. “It feels so much better to serve a true alpha.”

“He’s right.” Carter said breaking his silence. “Haden was never a true alpha he was so weak.” Haden looked up almost in agreement as Carter spoke. “He’ll be fine tomorrow like the rest of us were.”

“Fuck I can’t have him in class like this.” Max said panicking. “You two help me get him to my house.” The boys snuck out of school leading Haden back to Max’s house.

“Now what?” Hunter asked looking at his phone. “We have already missed most of school.”

“We’ll stay here, it’s a Friday so if anyone even remembers on Monday we can say it was food poisoning.” Max said sitting on his couch. “My parents are out of town so you can all stay over for the weekend.”

“I can.” Carter said without hesitation, Hunter nodded in agreement with him. “But can we maybe...?” He didn’t need to finish his sentence for Max to know what he wanted. Max slipped off his pants, and jock strap. Within seconds all three boys had surrounded him inhaling his scents. Max became erect almost immediately, seeing his friends worshipping his cock. Max moaned as all three boys took turnings sucking on his cock. Hunter took his turn first licking up, and down Max’s cock before slowly sucking it. Next came Carter, his familiar events exactly like the night before filled Max with moans of pleasure. Haden was next, his eyes were still with a blankness as he began to suck on Max’s cock. Max watched surprised as Haden began to deepthroat his cock without missing a beat. Max let out a loud moan as the pleasure built up inside of him. Max came into Haden’s mouth watching as his eyes seem to go even more blank. Max felt an immense feeling of power growing in him each time commanded them around.

“Hunter you stay here, and watch Haden. I need to speak to Carter privately.” Max said leading Carter up the stairs into his room.

“what do you need?” Carter said shutting the door behind him. Max said nothing, but grabbed Carter’s head guiding it to his genitals. He watched as Carter’s eyes filmed with the blankness again.

“Good boy” Max said smiling. The feeling of power he had was starting to increase dramatically every time he watched them go mindless, and each time one of them went mindless it took them longer to return to normal.. “Nate will be home next week, and I need you to come up with a plan.”

One week later...

“So is everything set for tonight?” Max asked looking at the guys sitting across from him at the lunch table.

“Yes, everything is set up.” They replied in near unison.

“Once the scent hits him, he’ll go mindless for much longer than the rest of us.” Carter smiled. “I put some of your clothes in the AC so the scent will go all around the locker room.”

The past week had been great the Max and the guys had been hooking up with each other nonstop whenever and wherever they could. He didn’t even care what was causing this anymore, and felt so powerful. His alpha scent as the guys started to call it had made Max not only top dog in his friend group, but he had advanced to team captain in such a short time.

“Good I can’t wait for Nate to be one of us.” Max smiled at the idea of Nate finally being his.

Max waited in his house watching the clock, just a few minutes until Nate should be landing. He got out his phone and started typing.

“Hey it’s Max, is there anyway we can talk when you get back? Maybe locker rooms?” He sent out to Nate.

“Yeah, I’ve actually been needing to talk to you too, I can be there in a half hour.” Nate texted back.

“It’s done.” Max typed out to his group chat with the guys, and grabbed his backpack leaving his house. He arrived at the school early going into the locker rooms. “You guys here?” He called out. Carter, Haden, and Hunter walked out from behind a group of lockers.

“Yes and we’re ready” Carter said.

“Good he should be here anytime.” Max smiled. The trio went back into hiding, and moments later the door opened with Nate walking in.

“Hey max, look I know you asked me here to talk, but I really need to go first. If-if that’s ok.” Nate said.

“Yeah sure.” Max said. It didn’t matter who talked first in a minute there would be no more talking.

“Well I was thinking a lot the past few weeks, maybe even months honestly about telling you this, but I wasn’t sure until my trip.” Nate said. Max paid little attention as he watched Haden, and Hunter get in place behind Nate.

“Look Max I don’t know if you feel the same way, but there’s no other way to say this.” Nate paused, as he did Max gave the signal to the boys. The AC kicked on, Haden and Hunter

pushed Nate forward as Max pulled down his shorts revealing just jockstrap. “But i’m in love with you” Nate said at the exact same moment.

“Wait!” Max tried to scream snapping out of his power trip. Nate loving him is all he ever wanted, but as he looked down he saw it. Nate’s eyes staring back up at him completely mindless like those before him.
