To whom it may concern,

This letter is in reference to the following Fleet Account:

Fleet Account #100667

Our records indicate that this account previously held a tax exemption status as a "quasi-government" entity. As to align with government entity classifications and exemptions outlined as per CCR 204-10 Rule 28, this quasi-government tax exemption is no longer authorized. Therefore, this account which previously held this exemption must recertify their exemption status.

In order to maintain your tax exemption status, you must provide your tax exemption certificate to the County Motor Vehicle office. The Motor Vehicle office will update this record, so the appropriate exemption is applied going forward. Failure to act on this notice may result in incorrect fees applied during a future transaction.

For submission options or to find hours/locations, please contact your local County Motor Vehicle office.

Thank you for your prompt attention to this matter.
