

List of smooth skate spots in Chicago 🛹📝

Hello! The goal of this list is to share all of the smooth spots we've found in the city that are good for roller skating. This is meant to help new skaters and seasoned skaters alike discover good places to skate. Do you know of a spot that's not on the list? Please add it! Anyone can edit this list, so don't be afraid, you won't mess it up. For more resources, check out the [Chicago skating wiki](#). Thank you to the anonymous group member who came up with the idea for this list :).

This page contains all known information and is subject to change, please excuse any discrepancies- thanks.

- Unity Square Park - Small Patch of smoothness
- Bloomingdale/606 Trail - concrete, great for long distance skating without traffic
- Lakeshore Trail - can get a little bumpy on occasion, but for the most part is a great skate from top to bottom
- Chase Park - [tennis court](#) (shared off and on with several tennis clubs, but schedule is posted outside courts and kept updated)
- Sunnyside Mall - [decently smooth](#) but not super level
