

## **Email Swipe 1 – Launch Day**

**Subject:** 🚀 The AI Plugin That Writes Your Blog Posts Is LIVE

Hey [First Name],

What if AI wrote your wordpress blog posts... and all you did was click “Publish”?

Introducing **AIWarrior Pro** — the most powerful WordPress plugin of the year.

- ✅ SEO-optimized articles in seconds
- ✅ Powered by Google Gemini
- ✅ One-click scheduling, rewriting, and publishing
- ✅ Fully integrated with your WP dashboard

No writing. No hiring. No delays.

It's live right now — and affiliates are already cashing in.

👉 **[Your Affiliate Link]**

You're gonna love the conversions on this.

Talk soon,

**[Your Name]**

## **Email Swipe 2**

**Subject:** I typed a keyword... and my blog post was done 🤖

Hey [First Name],

This blew my mind...

I typed in a blog topic, clicked one button — and **AIWarrior Pro** generated a full-length, SEO-optimized article right inside WordPress.

No formatting. No copy-paste. No extra tools.

It was clean, readable, and **ready to publish**.

With AIWarrior Pro, your subscribers can:

- ✓ Instantly generate articles from keywords
- ✓ Schedule posts in bulk
- ✓ Rewrite existing content
- ✓ Embed videos and optimize SEO titles

This is a game-changer for anyone running a blog or content site.

👉 It's live now — **[Your Affiliate Link]**

### **Email Swipe 3**

**Subject:** Would you blog more if AI did it all?

Hey [First Name],

Real talk:

If AI could write, format, and publish your blog content —  
How many posts would you create per day?

With **AIWarrior Pro**, you don't have to wonder.

Just enter a keyword... and your next SEO-friendly article is ready to go.

 Powered by Google Gemini

 Built for WordPress

 Includes scheduling, SEO editing, featured images, and more

No more blank page. No more content drought.
