LOCATION: open field or forrest, bright daylight

Model parks her car. The door opens.

TAKE: Camera: close up legs

We see her shiny legs stepping out of the car. While doing so,
she lifts her dress to her thighs in order to get out as elegant as
Possible.

TAKE: Camera: full view

She stands in front of her car, one leg jutted out, with her
hands on her hips and looks around her.
Model has a posh look on her face, sexy like Jessica Rabbit.

TAKE: Camera: close up face

Model: (sighs, biting her lip) "I know I lost my wallet
somewhere around here."

TAKE: Camera: full view

Model quickly looks around the car for her wallet. She is very
careful with her dress and her heels stepping through the dirt
and raises her dress a little to her knees so she doesn't get it
dirty.

TAKE: Camera: close up heels

Her heels are tramping through dirt and some mud. One foot is twisting a bit in it, then trying to shake off the muck.

TAKE: Camera: close up face

Model is disgusted and is moaning like a sexy lady who can't believe that she has to walk through mud.

Model: (sexy lower voice, yet slightly annoyed) "This is extraordinary! I'm reduced to tramping through sewage!"

TAKE: Camera: full view

At a tree, she thinks it might be the place where she lost her wallet. She now raises her hands to a lady like pose.

Model: (sighs) "I can't believe I'm doing this..."

Annoyed, she kneels down and crawls around the tree to look for the wallet, stumbling over her dress, so she lifts it to her knees to crawl properly. She can't find anything, so she stands up again. She looks down on her legs.

Model: "I can't believe I'm wearing my best pantyhose for This!"

TAKE: Camera: close up legs

She readjusts her pantyhose and pulls them up to look Elegant.

TAKE: Camera: full view

Model is annoyed and holds her nose. The smell of the environment is not suitable for a lady! She wants to go back to her car. But she suddenly trips and falls into a slimy, muddy pit. She is in shock, screams and rolls on her back. Her dress gets muddy and her legs are high in the air, kicking like crazy, revealing her thighs. She laboriously stands up and looks down at herself.

TAKE: Camera: close up face

Model: "Oh my god! My outfit!"

TAKE: Camera: full view

She raises her dress, almost a complete upskirt, and tries to walk but trips again and falls face first into the slimy mud. Her legs are getting absolutely muddy. She tries to stand up but slips constantly, several times, getting the muck all over Her.

TAKE: Camera: this angle (I couldn't find another example to explain the angle, I'm sorry, this is not meant to be sexual/pornographic) Lying on her back, her head arises, seen between her legs. She notices her exposed gusset and quickly in shock pulls her dress down to hide her crotch.

TAKE: Camera: pan from her face to her legs/lower body Model turns over onto her belly and wants to swing out one leg of the mud puddle to pull herself out. But her dress is too tight and she can't move her leg far enough. So she pulls the dress all the way up again, full upskirt.

TAKE: Camera: full view

Model now can swing one leg out of the puddle. Her exposed leg rubs in the dirt/snow heavily trying to get a grip. Eventually she can slowly pull herself out that way. She rolls into the dry dirt/snow and breathes heavily, lying on her back. She pulls her long, messy gloves up. Then she lifts one leg in the air and runs both hands down on it, stroking it, while closing her eyes. Now she gets on her knees and crawls on all fours to her car. She tries to stand up, but sinks down again, the mud seems too heavy on her outfit.

TAKE: Camera: close up face

Model: "This is outrageous! My pantyhose! They were so shiny! My legs! Oh god, my heels! I AM A LADY!"

TAKE: Camera: full view

Model, on all fours, looks back on her legs. Her legs, dress and heels are very muddy. Still she wants her legs to look good Desperately.

TAKE: Camera: close up legs

She grabs the nylon with her hand and wants to pull it up to look a little more elegant. But she accidentally rips the tights.

TAKE: Camera: close up face

Model is in shock, her mouth wide open!

TAKE: Camera: full view

She to crawl on all fours, still in shock, gasping! Model crawls out of the picture.
