

Total Battle community gifts

Notice: As the game creators are moving further towards a pay-to-win model, it appears like they've disabled most of these links. Only the first one on each day gives a reward. For any updates, join the COMMUNITY GIFTS chat.

Here's a list of all the links I've gathered so far. If you know of any more, be sure to share with us.

All times and dates are expressed in terms of [GMT+3](#) time zone as this is when the game cycle ends - this is when game events end.

Most links for a given day expire at midnight GMT+3. Some links begin and end at 12:00 PM (noon) GMT+3 - these are marked with appropriate notes. They are posted under 2 consecutive days but are only available once.

Note 1: These gifts are available before 12:00 PM.

Note 2: These gifts are available after 12:00 PM.

Note 3: All edit requests to this document will be ignored. If I allowed random people to edit it, someone would eventually post some malicious links. Since creating this document at least one person has already tried this by requesting access from random email accounts and spamming me on instagram (also from fake accounts).
