NOTICE & NAME THE 6S FOCUS AREAS OF A BLENDED DATA CULTURE IN ACTION

START HERE→ *Overview of Notice & Name the 6S Focus Areas of a Blended Data Culture in Action.* *Screencast*

Step 1: Make a copy of the Notice & Name the 6S Focus Areas of a Blended Data Culture in Action and rename the file to include your name.

Step 2: Watch the Director of Instruction and RBL PM (Cisco ISD) describe her district's journey in building a data culture from scratch including the specific data practices they worked to establish over time (11:43).

Step 3: As you watch the Cisco video, please note the conditions about which you hear evidence in the column titled, "Evidence in Cisco Implementation."

Step 4: Discuss - Select the relevant questions from below to discuss with your team.

- *Step through the 6S Focus Areas and the supporting conditions and discuss where you saw evidence of each in the Cisco Implementation.*

- *What felt most aligned to what you are seeing/ have seen in your campus data culture?*

- *What felt most inspiring/ aligned to what you hope to see in your campus data culture in the future?*

- *What data practice shift would have the biggest impact on your campus?*

- *What do you think most prevents/ impedes the type of data culture envisioned in these 6S Focus Areas?*
