Virtual Games

- Pictionary Game:
  - https://skribbl.io/
  - An online game that PF's can easily control with such things as time, player access and words used in the game.
  - Can be used for vocabulary list words and is a great game to bond
- Another Pictionary Variety
  - Use a random generator, something like https://randomwordgenerator.com/pictionary.php
  - Have one person draw in the google meet jamboard and everyone else guess
  - You could have them guess in teams for points
- Kahoot
  - https://kahoot.com/?utm_name=controller_app&utm_source=controller&utm_campaign=controller_app&utm_medium=link
  - You can create your own or use a premade quiz or trivia.
  - Good for connecting or studying if you have content for a group (be careful there is a tendency for students to use inappropriate names)
- Blooket
  - https://www.blooket.com/
  - Very similar to Kahoot
- Bingo
  - https://myfreebingocards.com/bingo-card-generator
  - Create your own bingo cards.
  - You could use it for things like vocabulary. Instead of reading off the word, give the definition and see if they have the corresponding word?
- Scattergories
  - https://swellgarfo.com/scattergories/
  - This site randomizes a letter with a series of different categories. Start the timer and come up with one word answers for each category starting with the random letter
- Random Trivia Generator
  - https://www.randomtriviagenerator.com/?fbclid=IwAR3mVep1dcLeuN1mxmfoSjKf8iLFwGz3qCV9TMTonNkrkCwuM9ggHnUFtnE#!/about
  - Trivia site that hosts a flipcard style random queue of trivia questions. Questions can be sorted by category or a random mix. Click a card to flip it and see the answer.
  - Use an external timer to amp up the pressure (but also keep the game moving)
- Mafia on Zoom and Google Meet
  - Here are the instructions for how it works over zoom as well as if you've never played it in person before https://nerdschalk.com/how-to-play-mafia-on-zoom-and-google-meet/
  - The game continues by alternating between night and day. By night, the Mafia will kill a person, and in the day, the civilians choose to eliminate one player.
  - Game goes until all players on one side are eliminated.
- Flippity
  - https://www.flippity.net/

- ○ Easily turn a Google Spreadsheet into a Set of Online Flashcards and Other Cool Stuff!
  - ○ Lots of different interactive activities that are easy to use and interact with.
  - ○ Great for educational content or even just a fun game time
- A Fake Artist Goes to New York
  - ○ Rules (not on site) https://tesera.ru/images/items/744225/rule_fakeartist_e.pdf
  - ○ Online Game https://fake-artist.herokuapp.com/
- Broken Picture Phone
  - ○ Each player starts by creating a phrase, which is then passed along to another member of the party who then draws that phrase. It's then passed to the next player who tries to determine a phrase from the image. This pattern, switching between drawing and phrases, until it's back to the beginning. Everyone goes back and reveals the drawings and phrases to the group
  - ○ You can play it at this link: https://www.brokenpicturephone.com/
- What do you meme
  - ○ Someone puts a bunch of memes on a google slides and presents their screen
  - ○ Everyone types in a caption and everyone votes on whose they think is the funniest
- Codenames
  - ○ This game is played by one player giving one word clues to the rest of their team who then have to guess which word based off the clue
  - ○ https://codenames.game/
- **Free Virtual Online Whiteboard**
  - ○ https://app.ziteboard.com/
  - ○ Can be used to help with school work or even for a fun game of virtual Hangman or other quick activities.
- **Scavenger Hunt**
  - ○ Leader calls out/ posts an item/list of items for students to find
  - ○ Most found/fastest finder wins
- **Speed Greeting**
  - ○ Think speed dating but without the awkward romance
  - ○ Requires ability to create break out rooms
  - ○ Set up several rounds of break out rooms ahead of time, or in the beginning while activity is being explained
  - ○ Everyone gets 1 minute to meet each other
  - ***Optional Additions***
    - Have everyone pick one question to ask everyone they talk to
      - This can be shared at the end, something like having one person introduce themselves at a time and then everyone else share what they learned about that person
    - Have a set of questions for everyone to draw from
- **Meme Contest**
  - ○ Have everyone submit a meme that describes how they feel about x thing
  - ○ Everyone votes on what's best
  - ○ Have several rounds and crown a winner
- **Family Feud**

- ○ This link gives two different methods on how to play family feud on zoom
  https://nerdschalk.com/how-to-play-family-feud-on-zoom/

Virtual Circle Examples

- *If you are circle trained* here are some examples of how you could set up a virtual circle
- circle on jamboard
- an asynchronous circle option
- circle chair image from powerpoint
