

Accessing Skyward for Registration

Mobile Devices

- Delete and reinstall the Skyward App from your mobile devices. Upon reinstallation the app will update to the new version of Skyward.
- [Video help for mobile access to Skyward](#)

Computer

- You can still log in via your computer using the updated link from our website (if you have bookmarked a link you will need to update your link to the new one).
- This is the new link: <https://skyward.iscorp.com/MiddletonSD134IDSkySTS/>

Returning Student Registration

- Once you log in, you will have access to a series of forms that are highlighted green. This is the returning student registration process. Please work through this process at your convenience. (See videos below).
- This process must be completed for all students returning to the Middleton School District

New Student Registration

- If you have a new student enrolling please complete the [new student registration process on our website.](#)

Schedules & Teacher Assignments

- We normally do not publish that information before our administration and office staff are back to school. This will begin next week (August 5-9).
