June 2, 2017

- O'Canada
- Black Gold Regional Division No. 18 and RBES would like to acknowledge that we are located within the boundaries of Treaty 6. This land is the ancestral and traditional territory of many Indigenous peoples of this area, including the Cree, Saulteaux, Blackfoot, Métis, Dene and Nakota Sioux. We would also like to acknowledge the traditional knowledge holders and Elders who are still with us today and those who have gone before us.
