

Privacy Policy — Luck Target Spin

Last updated: November 2025

Introduction

Welcome to **Luck Target Spin**, a fast-paced precision-timing arcade game.

This Privacy Policy explains how the app handles user information. We respect your privacy and are committed to protecting your personal data. By installing and using Luck Target Spin, you agree to this Privacy Policy.

Data Collection

We do not collect any personal data from users.

Luck Target Spin does not request, store, or process information that could personally identify you. The game works fully offline and is intended solely for entertainment.

Specifically, the app collects **no data**, including:

- no account registration
 - no email or phone number
 - no personal details
 - no device identifiers
 - no location data
 - no analytics, tracking tools, or crash logs
-

Data Sharing

Since the app does not collect any information, **no data is shared** with third parties, advertisers, service providers, or external organizations.

Advertising and Monetization

Luck Target Spin:

- does **not** contain ads
- does **not** use advertising SDKs
- does **not** include in-app purchases, subscriptions, or monetized features

Permissions

The app does not request or require any sensitive permissions.

Luck Target Spin does **not** access your:

- camera
- microphone
- contacts
- storage
- location

The game operates safely without needing any personal or device-related access.

Children's Privacy

Luck Target Spin is suitable for users **aged 3+**.

The game contains no violent, explicit, or inappropriate content and does not include chat, messaging, or social interaction features.

Security

Although the app collects no personal data, we maintain standard security practices to keep Luck Target Spin safe, stable, and free from malicious components.

Changes to This Policy

This Privacy Policy may be updated when necessary—for example, when new features are added or when legal requirements change.

All updates will be posted on this page with an updated “**Last updated**” date.
