

## **Welcome to Fourth Grade**

By Mrs. Bemke & Mrs. Olmsted & Miss Chapel

The Fourth Grade Learning Environment is ready for the start of a new year! We are excited to begin a new journey with you. We will begin the year by talking about the four agreements: Attentive Listening, Mutual Respect, Appreciations - No Put Downs, and The Right To Pass - Participate. These agreements will help us work in cooperative groups while working in teams while we collaborate to help each other learn and grow throughout the year.

The Edgar Elementary School Open House will be Wednesday, August 27. Feel free to stop in the Fourth Grade Classroom to drop off school supplies with your child and check out our learning environment.

For finding information about the curriculum and expectations in Fourth Grade, please check out our Fourth Grade Homepage on the Edgar School District's website. <http://edgar.k12.wi.us> and click on the quick links tab. Also, remember to log into the SeeSaw app, which we will be using this year to communicate with you. We will be available at the open house to assist with connecting you on SeeSaw.

We are looking forward to a great year of working together in helping your child grow and learn!
