AFRICA CHRISTIAN AUTHORS PROJECT

CALL FOR PRESENTATIONS

Theme: Discovering God's Truth in our Disciplines

The Society of Christian Scholars, Africa encourages scholars in Africa to bring Christ to bear in their disciplines and professions. In addition, Christian Scholars are invited to probe their disciplines to discover God's Truths there. Moreover, since Satan actively and subtly influences all disciplines, and since such influences may not be apparent, Christian Scholars must interrogate their disciplines to unveil untruths.
Therefore, Christian scholars are invited to give presentations on God's Truths in their disciplines. Presentations will be 10-15 minutes with 5 minutes for Q & A.

Presenters may wish to use the following format:
