Plenary review criteria

Use the criteria below to judge how much the completed web page matches the identified 'good design' principles:

Your name (reviewer):	
Person who designed the web page (reviewee):	
Criteria	**Tick if achieved**
Clear headings using the heading tags	
Important keywords near the top of each section of the page	
Suitable metatags	
Suitable images	
No unnecessary information	
A complementary colour that isn't too strong	
Key information obvious on the page (e.g. uses bold, italics, etc.)
