Aim to complete as many of these 3 boxes as you can, the minimum we expect is 1 completed :)

What is written below is the minimum please feel free to write more.

My thinking:

Make connections between and across at least two texts and general knowledge to expand meaning and pose questions

The new learnings I now have are:

2 Questions I have are:

- Will there be any more protests around New Zealand
- 

Use prior knowledge to connect to at least two texts

The prior knowledge I had for Text 1 was: Harry's War

- It is a comic about this boy named Harry who was working on a farm during the war.
- He wasn't trying to escape or try to go away from the war, he wanted to help the army and the people by giving food and wool to them.

The prior knowledge I had for Text 2 was: Stand Up

- This journal talks about the history of protests all around New Zealand
- People protested about land rights, unemployment and etc.

Make connections between at least two texts and own life experiences

2 things that I could relate to from my own life experience in Text 1 was:

- 
- 

2 things that I could relate to from my own life experience in Text 2 was:

- There are a lot of people who feel the same way about changes and protested it except for me.
