

Public Administration Challenges

Review the NAPA Grand Challenges in PA and talk with your team to answer the following questions:

1. What are two to three challenges you believe will impact the type of organization you are consulting with over the next 3-5 years?

1. Foster social equity
2. Develop new approach to public government and engagement
 - a. Interorganizational and problem-solving mechanisms
3. Build resilient communities

2. Do you think the organization will need to approach these as Technical or Adaptive challenges? Or, as both?

Adaptive leadership problems-

1. Difficult to differentiate from Pro Youth
2. Cutting across organizations
3. Solutions are not obvious

3. (How) do any of these challenges relate to the project you've undertaken?

1. Difficult to differentiate from Pro Youth
2. Cutting across organizations - Getting partners to understand what YFC can do for them, when partners vary in goals
3. New approach - collaborative/ group meetings with multiple organizations
4. Building resilient communities - getting groups with similar objectives to work together
