Request for Successful Project Site Photos

Dear [Client Name],

We hope you are doing well,

To help us feature successful installations and highlight our partnership, we would like to request photos of the [Product Name] installed at [Client Business Name]/

The photos you send, along with your business logo may be used for:

- Our official social media platforms and digital marketing channels
- Physical marketing materials such as flyers, banners, brochures, and similar collaterals
- Sales and marketing presentations, proposals, client meetings, and other company materials used to showcase completed projects

All photos will be used professionally and strictly for marketing purposes of Disruptive Solutions Inc.

If you're amenable, kindly send the photos to [Email Address] by [Preferred Date]. Please let us know if you have any usage preferences or restrictions.

Thank you for your continued support. We look forward to featuring your project as part of our growing portfolio.

Sincerely,
