

GWMS Home XC Course Maps

8th Grade (2 Mile Course)

After the initial start, the course consists of two large perimeter laps. The finish chute will be marked with tall cones and flags. All finishers will receive a place card to be given to their own team coach. Team coaches will turn in the score sheet post race.

6th/7th Grade (1.5 Mile Course)

The course consists of two laps; the first lap is the larger perimeter lap, the second lap is the smaller lap around the pond to the finish. The finish chute will be marked with tall cones and flags. All finishers will receive a place card to be given to their own team coach. Team coaches will turn in the score sheet post race.
