Info about club

Meet in the yoga/dance room in the basement!!

Each **Monday** we will have pep rally practices. Sometimes there might have to be more **pep rally practices on Tuesday** if we're behind, but I will notify everyone by **email and the timetree!!** (linked below)

Each **Tuesday** we will work on projects, projects are things such as performances, covers, and trend videos.

You definitely **do NOT** have to do every single dance and performance, just do the ones you are confident you could handle!!

Talk to me (m3owzza@gmail.com) or check **GroupMe** "[announcements tab](#)" (linked below) to see upcoming opportunities. Google form links will also be on the linktree if you just want to check that.

How to Sign up

You can do one of three things...

1. Email rmkpopdance@gmail.com stating your most checked email address, your name, your student ID, and your grade
 2. Fill out the little thing on the linktree (linked below) where it says "Sign Up For Emails"
 3. **Just join the GroupMe and introduce yourself there in the introductions tab**

Please come to every single practice of the dances you are in, if you can't make any of them please **tell me in advance** or else you might not be able to do a performance anymore

You have to tell me that you will not be there or I will start talking people out!!

If you'd like to do extra classes for fun then just talk to me and I'll add you to the group chat. You do have to pay for the classes though because they're other studios, usually around \$5-\$20, I can usually provide a ride tho.
