

**Oh wondrous night
when all the world**

**Will waken to the
glorious light**

The heavens rent

With music angels glory bright

**Rejoice this night
Rejoice His light**

**All sing this
wondrous night**

**Oh wondrous night
when all the world**

**Will see the
starlight in the sky**

Messiah born

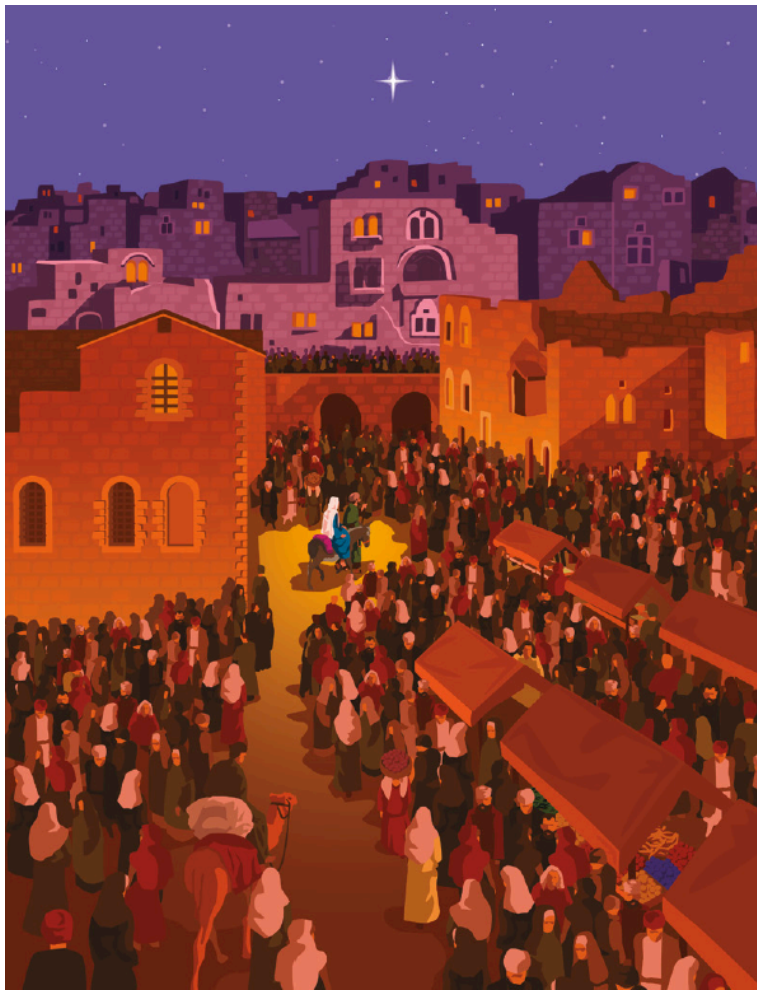

**Just as the
scriptures
prophecy**

**Rejoice this night
Rejoice His light**

**All sing this
wondrous night
Oh wondrous night
in Bethlehem**

**Is born the Savior
of mankind
From death and sin**

**His promised
victory we find
Rejoice this night**

Rejoice His light

All sing this wondrous night

**Rejoice and sing
Rejoice and sing**

**Christ is born
Christ the King**

All will sing
