

The Following Bylaws have proposed amendments. The **Blue** text indicates additions to the Bylaws

Section 4.1 Function of the Coordinating Council

K. National and Alternate Delegate, **other Delegates, and Committee members** – Eligibility to serve as National Delegate or Alternate Delegate is reserved for GPWA members who can demonstrate active involvement with the Green Party for at least one year. National and Alternate Delegates shall report activity on the National Green Party Votes List to the CC, including all pending votes which may be voted upon by our Delegates to the National Committee. The Alternate Delegate will assist the National Delegate(s) in fulfilling their duties if they are incapacitated. Delegates and Alternates must report to the CC during our monthly meetings either in person, by video chat, by email, or by proxy at least once every 3 months. Failure of an NC delegate or alternate to report for 4 months will constitute a resignation from that position, which will be filled as stated in 4.1.N.

Each National Delegate and Alternate Delegate to GPUS shall be elected for a one (1) year term by the membership following the Spring Convention. Each Delegate or committee member assigned to any other Organization or GPUS Committee shall be elected for a two (2) year term by the membership following the Spring Convention.

Section 4.1 Function of the Coordinating Council

P. The Coordinating Council will honor the spirit of Washington State's Open Public Meetings Act by making its deliberations open to the general membership of the Green Party of Washington.

Amended:

The Coordinating Council shall be committed to open governance that is accessible to all GPWA members. All CC deliberations, whether online or in meetings, shall be open to the general membership of the Green Party of Washington.
