I grew up in Brandon and went to college at Dakota State University and then got my master's degree from USD. I taught 1st grade at Tri-Valley, was the technology integrationist for the Brandon Valley School District, taught elementary computers, taught 2nd grade at FAE and now I am happy to be back teaching computers at RBE! My husband and I are busy chasing after our kids with their various sports. When we aren't at sporting events, we like to relax at home.
