

The conference “Agenda 2030: Transforming Regions, Changing the World” will take place in Strasbourg (FR) and online on 28-29 October 2021.

There are a number of ways in which you can get involved in shaping this event:

- Contribute with an article for the official [event website](#). See [HERE](#).
- Submit a video message from an elected official or policy expert, see [HERE](#).
- Submit a video showcasing your region/organisation’s work on SDGs.
- Send us a quote to be featured on the website & conference publication
- Add a ‘Call to Action’ to the website for participants to see at the conference.
- Disseminate some of your publications during the event or on the event website
- Promote the event on social media using the hashtag **#TransformingRegions2030** and tagging the dedicated [Twitter page](#).

If you are interested in finding out more about how you can get involved, please contact:
