AFFIDAVIT OF TRUTH AND ASSERTORY OATH, REPUDIATION AND REVOCATION OF CITIZENSHIP

When in the Course of human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume, among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation. We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness--That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles and organizing its Powers in such Form, as to them shall seem most likely to affect their Safety and Happiness.

Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes; and accordingly, all Experience hath shown, that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient sufferance of these Colonies; and such is now the Necessity which constrains them to alter their former

Systems of Government. The History of the present (UNITED STATES Corp) is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

So here shall I, Stand...

This shall serve as notice to certify that I; A Living Soul, So called by my Father and Mother since born, **First Name-Middle Name**; of the genealogy of **Last Name**, was born **Birth Day** of **Birth Month**, **Birth Year**, in the Sovereign Republic **Birth State State/Commonwealth**. I am not a Resident, Employee or Citizen of the UNITED STATES Government (Corporation), whose situs is Washington, the District of Columbia. My relationship to that Federal entity as far as jurisdiction is that of a non-resident alien to the Corporate United States Government. Also known as an American State National, or Lawful Bloodline American.

I am a free and natural **woman/man**, described by the Lord God in Genesis 2:7 as **a Living Soul**, living under God's law and his grace alone. I have assumed among the Powers of the Earth, granted by the Lord God Almighty, the Separate and Equal Station to which the Laws of Nature and Nature's God entitle me. Giving me dominion over all things. Therefore, in order to secure the Blessing of Liberty to my posterity and myself, to re-acquire my Birthright as "one" of a member of the Sovereign Social Body of "We the People," I hereby Asseverate, Repudiate and Revoke my Citizenship, if any ever existed, with the Legal fiction known as the "UNITED STATES" Government (Corporation), USA Inc, and any and all subsidiary corporations both known (STATE, COUNTY, CITY,) and unknown under its control.

Maxim of Law: No man can renounce the country in which he was born, nor abjure the obligation of his

allegiance. Co. Litt. 129. Sed vide Allegiance; Expatriation; Naturalization. (The Nation State Republic is the country state in which you were born and it cannot be renounced, by anybody or anyone)

I further rescind any and all feudal contracts with that Federal government, its agencies and with the **State/Commonwealth of Residency State, Upper/Lower Case, STATE/COMMONWEALTH OF Residency State, Uppercase** and its agencies. I rescind the Social Security number, fraudulently issued upon me by the government well before the age of 18, as such I was legally incompetent to enter into a legal contract with the government. The government by obfuscation of facts and misinformation led my parents/me to believe at that time that I was required to secure a Social Security Account number in order to gain employment, which is simply not true. The government agent who obligated me to the Social Security System knew or should have known that there existed serious liabilities to anyone who accepted a Social Security Number. That Agent had a fiduciary responsibility to inform my parents/me of the true nature of the Social Security Trust Account and the obligations and liabilities that the Trust involved. By the government's silence on the matter, the government established, by fraud, a Constructive Trust Agreement with me which must be vitiated. Since receiving that Account, I have through my religious instruction come to the belief that the Social Security number and/or Birth Number (CUSIP's) may be what is referred to in the Holy Bible, Book of Revelation 13:16-18 and 14:9-10, as the mark of the beast or at the least its precursor. For me to participate in that program and continue to use that number may place my eternal soul in jeopardy. This I will not and cannot do.

The money which I have paid into that Socialist Security system for over my lifetime, including the monies paid by my employers' demand, is hereby made as demand for full reimbursement to me. I also now understand that my SS number or CUSIP was used, via fraud while under the extreme duress of

child birth, using my mother as an informant to give me up to STATE without full and honest disclosure was bonded and insured since my birth. And at present those funds are being used by multiple Corporations including multiple Life insurance policies. I demand that those bonds and policies be redeemed for real monies and if any debts are proved against me those debts withheld as payment in full that I may be made whole and the balance paid to me in real money. US Postal Money Orders, gold or silver shall suffice.

I do not wish, nor am I permitted by God, to make myself a ward of the State, as would be the case if I accepted the Social Security benefits. I demand the same treatment that was given to the people of the Philippines who were participants in the Social Security Trust and who choose Citizenship of the Philippines over that of the United States. As the Social Security program is not a feudal contract, in that Congress gave no property rights to a Social Security Trust Account, I demand the contract be voided and all monies returned, as would be the case for any fraudulent contract or Constructive Trust Agreement. The United States Government Corporation should not enrich its self from the Fruits of a Poisonous Tree.

I emphatically deny that I have ever filed for bankruptcy protection with any degree of complete understanding and honest disclosure, nor have I ever given my Power of Attorney to anyone or to the **State/Commonwealth** of **Residency State** or any of the union states or territories of the UNITED STATES (Corporation) government for the purpose of instituting a bankruptcy action in my name with any degree whatsoever of complete understanding, full and honest disclosure or without great duress. Nor granting that my Labor and or my Property of whatever kind, or wherever situated, be held as collateral in any bankruptcy proceeding of the State or Federal governments. Nor any scheme, using my labor and property as collateral, to support or fund a fiat money scheme of the Federal Reserve Bank,

Inc. and/ or the **State/Commonwealth** of **Residency State**, and/or Federal UNITED STATES Government. **I have found even real property has been stolen from me through fraud by agents of county on behalf of STATE/COMMONWEALTH. This should be Allodial to me under Land Patent and described in metes and bounds. Not in lot block tax#.**

State Citizenship Test

The following are some of the citizenship questions one will see on various government forms styled in a way to deceive one out of their rights secured by the original constitution of our republic. United States of America and the original State constitutions. The UNITED STATES government has stopped using the term State Citizens on all of the forms for the purpose of constructive fraud. Remember that a State Citizen is a not a national of the United States. But is a national of the United States of America. See...8 USC § 1101(a) (21) **The term state “national” means a person owing permanent allegiance to a state. (This is a State Citizen) (22) The term “national of the United States” means (A) a citizen of the United States, or (B) a person who, though not a citizen of the United States, owes permanent allegiance to the United States. (23) The term “naturalization” means the conferring of nationality of a state upon a person after birth, by any means whatsoever.**

There exist mountains of supporting evidence and court decisions regarding my true status, and it seems absolutely preposterous to require anyone to jump over obstacles in order to expatriate from tyranny.

Again, this is one of the most important decisions of my life, so I do not approach it in a cavalier

manner. I asked the good Lord for direction before making that decision.

Notice: Taxes are not even a consideration, as having taxes as one's motivating reason makes the attempt a Complete failure.

Conclusion

On every front, with blinding speed and inexhaustible power, the evil forces of darkness of the New World Order are closing a Ring of Fire on freedom. In every domain and field of human endeavor, the choking, suffocating idolatry permeates all fields of human thought, corrupting our language, destroying truth and justice, demolishing integrity and virtue, enacting totalitarian legislation and controlling education and communications.

Above all, the vilest evil is the destruction of our unborn children – a thing so horribly vile that even maggots in filth do not do. Then the attack on our faith and its foundations of Biblical thought and experience, demonizing God's followers as religious right-wing zealots to be held in ill repute, ever rapidly expanding its deviancy of evil, closing the parameters on the just, as the UNITED STATES collapses inextricably into Babylon.

What malevolent force of darkness thus captains the ship of State for Columbia, the Gem of the Ocean?

God save me, but the UNITED STATES government is no longer sufferable. I can tolerate its pernicious and predatory conduct no longer as a citizen of the UNITED STATES (Corporate) fiction.

I hereby repudiate, rescind, renounce and disavow any CITIZENSHIP status with the UNITED STATES GOVERNMENT that I may have inadvertently acquired, by any scheme, for the reasons detailed in the foregoing Articles. My birthright now being re-secured as a member of the Sovereign Body of freemen and women known as Americans, American State Nationals, I hereby pledge my allegiance only to my God. I shall live by the commandment of "Love thy Neighbor" and shall "Do no Harm" in my private pursuit of life, liberty, happiness.

American State Nationals

I hereby pledge my allegiance only to my God. I shall live by the commandment of "Love thy Neighbor" and shall "Do no Harm" in my private pursuit of life, liberty, happiness.

America demands no less from me in that freedom has never been free.

My love for the united "States of America" has never been stronger. So help me GOD; Lord Jesus come quickly, Amen.

This NOTICE is from a **woman/man**, a living soul, sui juris, jus soli (on the land), a private non-citizen, non-resident, non-person, state national pursuant to 8 U.S.C. § 1101(a)(21) under Common Law Jurisdiction. "U.S. adopted common laws of England with the constitution."

See Caldwell v. Hill, 178 SE 383 (1934).

The avoidance of tax is not the purpose of this document, and is both voluntary and necessary for the 19

essential governmental services the state Nationals, we the people contracted for and agreed to pay for.

As a “nonresident alien,” my estate and/or trust is, as described in 26 USC 7701 (a)(31), as a TAX-EXEMPT “foreign estate or trust.”

"The Tax Code represents the genius of legal fiction... The IRS has never really known why people pay the wages/income tax... The IRS encourages voluntary compliance, through FEAR."
