

Try these on your own. Draw the pictures and write the problem. Complete the sentence. Scroll down below for an example.

$$5-3=2$$

$$4-1=3$$

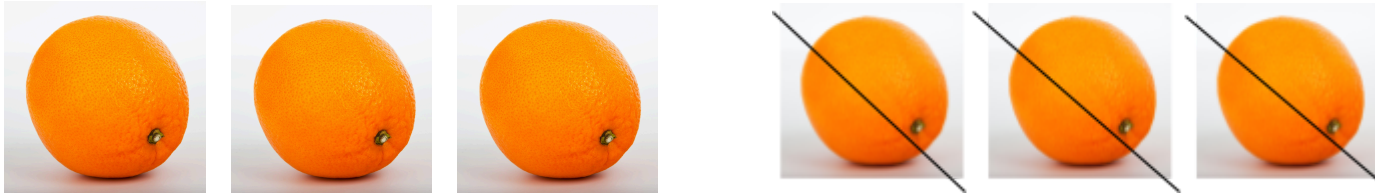

$$2-2=0$$

$$9-5=4$$

$$7-6=1$$

There are oranges left.

Count and draw the oranges. Cross out 3 oranges.

$$\boxed{6} - \boxed{3} = \boxed{3}$$

There are oranges left.
