

OSAC Scholarships for Music

The OSAC Scholarship application is a common application for Oregon scholarships. Each scholarship uses a common application. With over 500 scholarships, the list can be a bit unwieldy for students to search.

Therefore, we've compiled this list to help students get started on their OSAC search. *This list is not exhaustive*; new scholarships are constantly being added to the database. The list is current as of **January 9, 2023**.

NOTE: There are many other scholarships in the OSAC catalog that you may qualify for. The search parameters for this list is Music.
