

Flora for Fauna Tree/Shrub Availability List Master

This is the list of trees and shrubs grown at the nursery.

- Species shaded black are not available at the time (might be sold out, not broken dormancy, or not ready to go)
- Species shaded yellow are in limited supply
- The bloom period is highlighted with an approximation of the bloom color. White blooms are highlighted green

TREES AND SHRUBS: these species live for many years and have woody stems that survive winter above ground
