Dear School Site Council and English Learner Advisory Committee

We are seeking a representative from each school site to participate in the 2026–27 Local Control and Accountability Plan (LCAP) Committee. Each site must elect at least one representative from its School Site Council membership.

The committee will provide an opportunity for school communities to contribute to the development and review of a new three year LCAP, which outlines district goals, actions, and services to support student success. The representative will attend monthly committee meetings from 4:30- 6:00 pm and share their perspective and recommendations.

If interested, please contact (Nadia Oskolkoff). Thank you for helping ensure each school site is represented in this important process.
