

How to Create a Get2College Account

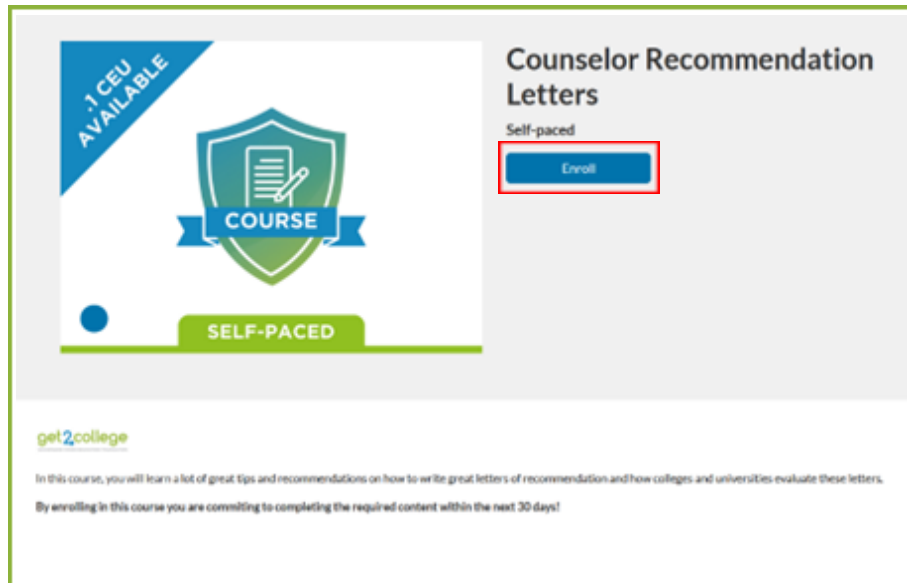

1. Navigate to <https://get2college.pdx.catalog.canvaslms.com/>

2. Browse the courses offered and choose the one you are interested in. Open that course by clicking on the **arrow icon** located at the bottom right of the course card.

3. Click the **enroll** button.

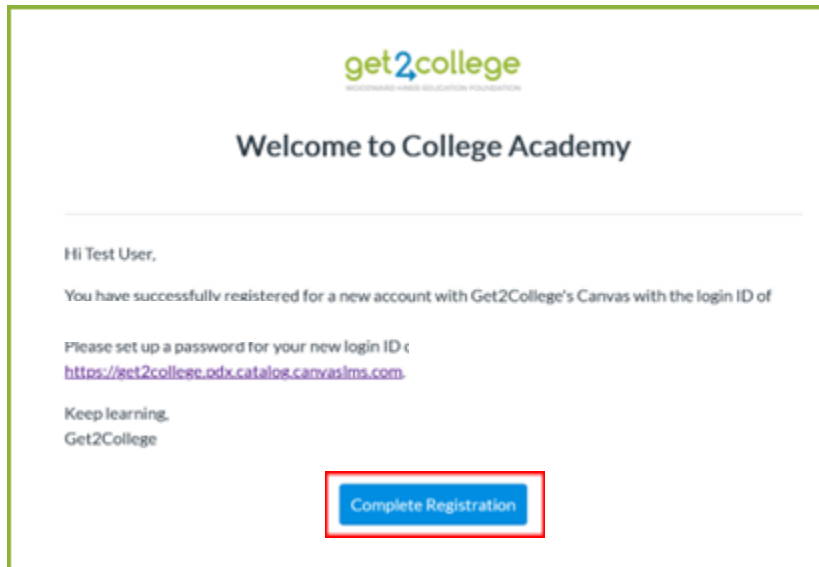

4. You will be taken to the registration page.

Important Note: First time users will need to create a Get2College Account.

Once you complete **ALL** of the registration questions, click the “**register new account**” button at the bottom of the page.
