August 20, 2021

Boozhoo Families,

We would like to update you regarding a recent change to our COVID-19 school safety protocols. **Effective this Friday, August 20, 2021, Lac du Flambeau Public School will require everyone to wear a face covering while *inside* the school building.** This face covering requirement is in alignment with Lac du Flambeau Band of Lake Superior Chippewa Tribal Council Resolution #325(20): https://ldftribe.com/departments/142/Reinstatement_of_Mask_Requirement_Beginning_8_20_21.html

This face covering requirement will be in effect until further notice. As always the safety of our students, families and staff is of the highest priority.

In addition, The American Academy of Pediatrics, Centers for Disease Control & Prevention, Wisconsin Department of Health Services and Wisconsin Department of Public Instruction currently recommends everyone wear a face covering while inside a school building regardless of vaccination status. We will keep everyone updated as we move forward.

Thank you for your patience, flexibility and understanding as we continue to navigate the pandemic. Chi Miigwech!

Respectfully,

Ben Fieck
Principal
