

Senior Thesis

Week 8: 11/4-11/7

Have the following ready to share in class on Tuesday.

- Write a couple paragraphs concerning the “WHY?” behind your thesis.
 - Why does your thesis need to be said?
 - Why do *you believe* your thesis needs to be said?
 - Remember: the “WHY?” behind your thesis informs the “THEY SAY” to which you are responding.
 - A thesis is always a response to something. *To what are you responding? What need are you meeting, however small?*
