Provide Greater Access to STEM Education to All Students

**Tanush C.**

**Tutor  
San Antonio Math

Tanush is part of the Class of 2028 at BASIS Pflugerville. His favorite subjects are Math, Physics, and Computer Science. He is interested in the aspects of STEM, and soon wants to become a great engineer. He is ready to help others and has experiences with teaching in his high school as part of being an NHS member. Whenever he is free, he tends to go for a walk outside, play sports outside, or play video games.
