Digital art

All prices are a reference and may increase with add ons. These extras can be added to any picture:

Simple background

Solid color with a few shapes

Price: Free

Color sketches

Still monochrome, but with a hue

Price: Free

Colored lineart

Can't be applied to sketches, examples below

Price: 5\$

Complex characters

Detailed accessory/clothing/patterns, tattoos etc.

Price: depends on individual design, up to half of the original price extra

Extra characters

No more than five characters in one picture please

Price: Calculated individually, just mention they go on the same picture

Extra wishes

Unusual/complicated poses/perspectives, specific kinks (for nsfw art), multiple versions (for pngtubing), etc.

Price: Depends on wish

Silhouette

Solid color silhouette of your character

Price: 15\$ (ignore price sheets for this one)

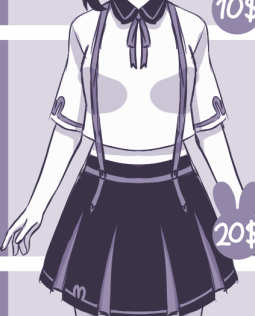

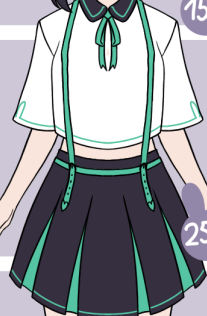

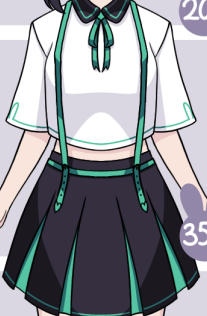

Vtuber model

Psd file with layers ready to be rigged / please have a full design ready / both waistshot or fullbody available

Price will be determined individually, roughly about 100-200\$
