Late Work Policy		
Assignments are due on the due date posted in the course. Since academic weeks begin on Monday and end on Friday, the weekend serves as a built in grace period for students. Work submitted after Sunday 11:59 pm will be considered late even if a holiday falls on that Monday. The student will have increments of 5 points deducted from the assignment for each week it is late after it is graded to determine the final grade for the assignment. Teachers will be given the flexibility to adjust due dates when necessary and waiver the Late Work Guidelines when deemed appropriate for specific situations i.e. school is closed due to inclement weather, student has a medical issue or an unforeseen emergency, etc.
