

KONNECT: PURE AND CLEAN
ACTIVITY PAGE
FEBRUARY 14, 2021

Say: Let's play a game to test your skills! You'll vote on if something is selfish love or loving others with pure love.

1. Place one clapper in front of each kid.
2. Read any item you'd like from the Love Pure activity supplement.
 - If it's pure, kids grab their clapper and shake it.
 - If it's not pure, kids don't grab clappers.
3. Repeat the game until all the choices have been read.
4. If time allows, kids continue playing by making up their own pure love or selfish love ideas.

Pure Love

- Be kind to everyone
- Obey parents right away
- Help those in need, even people you don't like
- Give a gift to someone who can't give you anything
- Be patient with people who annoy you
- Do extra chores without being asked
- Go to church to learn, teach, and serve
- Thank God even when you're feeling sad

Selfish Love

- Only help people you like
- Be kind only to friends
- Obey parents only when you feel like it
- Help with chores only if you get money for it
- Thank God only when things go your way
- Give a gift to people if they give one to you
- Go to church only if it's really fun
- Only be patient with people who don't annoy you
