

A group of 3 children walk inside the Kara Woods. There are the children of Ailinkoy, a place where they get educated about the studies of Nature. Each of them will be given titles based on their skills.

The children are:

Zaniah(The Guardian of Moth)

Ameen (The Guardian of Owl)

Arty (The Guardian of Olive Tree)

Ameen; the archer of the group, brings with him his bow and arrow to protect his group and maybe hunts some animals if it's necessary.

Arty; the most hyperactive girl of the group, the leader, enjoying the scenery of the forest as she brings her drawings supplies to draw everything that she has seen.

Zaniah; the elders of the group, the voice of reason, watching her teammates as she hummed a little song.

On their way, they heard a whimper of howls.

"Awoo!!" "That sounds like a creature needs help." Arty said. "We need to be aware. We don't know what that is..." Before Ameen could finish his words, Arty already zoomed off leaving them behind heading to the source of voice.

Ameen could just shake his head in disappointment. "Haih.. That girl is going to be the death of me." Zaniah giggled. Both of them try to catch their leader's trails before it loses its heat.

As they both ran, they stopped and saw a huge hole in the middle of the forest. "Woah good thing we stopped in a nick of time before we fell into it." Zaniah muttered.

"Yeah we might have held our horses, but does she?" Ameen said. Both of them came closer to the hole and saw Arty with a trapped creature in it.

"Oh hey guys. Hehe. Looks like I'm stuck here with this cutie creature."

Both of them slapped their faces with their reckless leader actions.

"Next time try to listen to us, Arty. Now how do we bring you up from the hole?" Ameen said with hands on his waist.

Zaniah tries to look around to see if there is any rope-like to pull Arty and the creature out.

Suddenly a rustle of bushes came to their ears. Ameen prepares his arrow in case there would be dangers approaching, shielding Zaniah with his back.

“Ufff!” A young girl with a one side ponytail stumbled down from the bushes. “Miku- chan, be careful where you run!”

A boy in a white shirt came later carrying his backpack at the back. “Sorry onii chan.” The girl in red and black outfit, stands up from her fall with the help of her brother.

Both of them were surprised to see 2 people staring at them with one of them ready with his arrow.

“Woah! woah! Hold it right there. Put down your weapons please. We mean you no harm.” The boy in white raises his hands, he gestures to his sister to do the same.

Zaniah lowered Ameen’s bow as she approached the siblings with her warm smile. “Hello there, can we know who you are?” She asked the siblings with her lower voice. Both siblings looked at each other as the girl introduced herself. “Konichiwa, omaiwa Fujiwara Miku. And this is my aniki, Fujiwara Teiichiro.” Teiichiro waves and bowed after his sister introduced him.

“Nice to meet you, Fujiwara siblings. I’m Zaniah and this is my brother Ameen. What are you two doing here in the woods?” Zaniah greet them back as she a question to them.

“Oh I were just training my Ninjutsu here with my big brother watch over me. And is Ameen your big brother too? He seems to be taller and overprotective to you just now.” Miku wondered. She looks back and forth between Ameen and her brother. Her brother seems to be way more shorter than Ameen.

“Ahaha, no. Ameen is my adoptive little brother. It’s just in his nature to protect people of those he cares.” Zaniah corrected with Ameen turned his face with a little bit blush on his cheek.

“Oh ahaha, that’s interesting. Look oniichan you need to eat more if you want to grow up as big as him.” Miku teased Teiichiro. Teiichiro just looked away ignoring Miku’s daily teasing. He looked at both Ameen and Zaniah and asked why they were here.

Before Ameen could answer, Arty interrupted him again as she shouted from the hole, “Hellooooo are you guys forgetting me? I still stuck here with a beast.” Ameen, Zaniah, Miku and Teiichiro look down at the hole and watched Arty at the bottom, calming the creature as she patted it.

Teiichiro asked, “How come she got there? And who is she and what is that thing?”

“That’s our leader Arty. Who always jumps into danger without any care of her surroundings. The creature with her we don’t know what it is. But it’s probably wounded by the looks of it.” Ameen summarise their situation.

Teiichiro digging up his backpack and pulled out a grappling rope. “Good thing I bring this rope. We could pull her out with the creature altogether.”

"Why do you bring rope with you?" Ameen wondered as he crossed his arm. "Well Miku always getting herself into trouble. So I thought to bring any supplies that be needed for her." "Huh? I think we should take a note for that." Ameen exclaimed.

Teiichiro tied the rope with a tree bark and let it loose to the pit. Arty tied up the creature first as she pulled the rope signalling them to pull. All of the 4 friends pulled the rope together and getting out the creature. Then they go for the next round pulling out Arty from it.

After they rescue them, Ameen knock Arty's head with his fist. "Ow!?" "That's for a reminder to not get yourself into trouble again!" Ameen gritted his teeth. Arty soothe her head, tearing a bit. Teiichiro who saw their shenanigans, laughing a bit. "Haha! I think I also needs to take a note on that to teach some lesson to Miku." "Oniichan!! Don't be meanie." Miku covers her head to avoid to get a fist from her brother. All of them were laughed by it.

The creature which they have save cuddles itself to Arty. "Hey look! This things like me."

"By the look of it, it's looks like a silver wolf with a raven wings. That's one unique creature to see." The creature, the wolf, "Arf" agreeing with what Zaniah said. They were all surprised to see that the wolf seems to be understanding them.

Suddenly they heard a soft voice, singing.

The wolf then put them down and hurriedly itself towards a person in a crimson cloak standing still in the middle of green fields. They all stop their pace as they saw the person patting the wolf, scrubbing it with both hands. The person turned towards them. They saw the person looks like a grown up with their eyes closed.

The person bowed down to the wolf as they covered the wolf with their cloak. Not soon after, a little boy with mismatched colour eyes, a pair of wolf ears and tail, wearing a midnight colour poncho with wings pop out behind him wearing a moonstone around his neck comes out from the cloak. "Hehe, hello you guys. That was fun, wasn't it?" The boy said cheerfully. They all were surprised to see the Wolfraven that they had saved was actually a boy.

"Annecim, these are my saviours. They save me from being trapped in a pit." "How comes you in the pit, Aykan?" The person, a lady asked her child softly with a concern in her voice. Aykan scratch his head for a bit before he answered, I saw a poacher was going to catch a Nymphdeer with the trap. Aykan scares the Nymphdeer away before Aykan himself fell into the trap. Aykan was in Wolfraven form because Aykan scared. Then these people save Aykan with that silly girl with two leaves stick on her head comes to aid Aykan with jumps down together with Aykan." Aykan told his story to the lady.

The lady looked at them with her eyes still closed as she bowed in gratitude to thank them. "Thank you for saving this boy from any harm. I believe all of you seems to be non ordinary people, I suppose." They were all shocked by her words.

The children just met the lady, but the lady seems to know them much.

"Aykan's anne is blind. But Aykan's anne has cools ability like she knows everything." Aykan muttered as his tail wags behind him.

"Hehe not know everything my little Aykan. It's just what I sense from them." She looks at the children as she gave a warming smile to them. "I believe all of you needs to retreat where you all belong. Arty! Ameen! Zaniah! It's better you go back to Ailinkoy before Maghreb approach." In one swift of her hand, the three friends gone in a blink.

They all reach infront of the Ailinkoy academy to much of their surprise. "Who was that?" Zaniah asked them. Arty and Ameen could only shrug their shoulders as they both don't know the answers.

Back at the green fields, the mystery person watched the two siblings as she tried to gather some information that she could receive from their memory. "Miku please listen to your brother. Teiichiro has done so much for you. I know you are strong but still be cautious. And Teiichiro don't be afraid of whatever you did. I believe you can be a great healer as your instructor hopes." "Wait how you know our..." The lady already sent the Fujiwara siblings to where they belong before any of them could ask.

Aykan stares at his anne with a sadden face. "Will Aykan meets them again one day?" The lady, N, just smiles towards Aykan with assuring smiles as a sign that yes they will meet again someday.
