

9.6.23

Greetings River Hills,

We've been asked to push this new communication out to you. The Lions Club and Clover High School have produced a Clover School District Newspaper, *The Roaring Eagle*, that will be published once a month to include our local events! The Intro Edition is attached. I'm told paper copies will be placed in various spots around the community (including our office). Hope you enjoy the first edition!

Amy
