

Valley of Fire State Park - Nevada
Las Vegas Airstream Club Rally
February 1-4, 2024

Get ready for our February Rally at the Valley of Fire State Park located about 1 hour north of Las Vegas off of I-15. This State Park is known for its 46,000 acres of bright red Aztec sandstone and contains ancient, petrified trees and petroglyphs dating back more than 2,000 years. Incredible hiking year round.

This event is scheduled for Thursday February 1 - Sunday February 4, 2024, and will be hosted by Steve and Suzy Mellington. We have reserved two of the group campsites which will comfortably hold 19 trailers. No hookups but restrooms are located at the sites.

Each rig will also be required to pay the \$10.00 Entry Fee (\$15.00 for non-residents) and the \$20.00/per night camping fee (\$25.00 for non-residents).

There will be a Rally Fee of \$45.00 per rig which covers the group camping site fee and an allowance for the prepared meals on Saturday. Sign up sheet and information on how to pay the rally fee is attached.
