

Dear Coaches,

Welcome to the Second Annual Monarch Relays! We are excited to host you, your athletes, and fans at IMPACT Stadium on Friday. We wanted to inform you of a few updates to our meet.

Please share ticket information with your athletes and their families. Tickets can be purchased with cash for \$10 at the gate. Online tickets (\$8+processing fees): <https://marysville.hometownticketing.com/embed/all> (updated link)

FAT Timing will be provided by JIRA Timing. A link will be posted on the MileSplit entry page by the timing company.

Field events will start at 5pm, after the singing of the National Anthem. Throwers have been assigned to [flights by teams](#). Running events will start at 5:15pm (change as of 4-14-24). Anticipating a large field in the 4x1600, we have also chosen to separate the 4x1600 girls and boys races. This pushes back the start of shuttle hurdles, which will begin at the conclusion of the 4x1600m relays (approximately 6:15pm).

The order of events is as follows:

1. 4x1600m Relay (Girls & Boys [Separate Races as of 4-14-24](#))
2. (approx. 6:15pm) Shuttle Hurdles (girls 30", boys 33")
3. 4x100 Relay
4. 4x800 Relay
5. 800 Medley (1-1-2-4)
6. Elite Girls 5k (updated to permit up to 4 entries per team with relay scoring, see full scoring details [here](#))
7. 4x100m Thrower's Relay (Limit of 1 entry per school, winning relay team receives a Giovanni's Pizza)
8. Elite Boys 5k (updated to permit up to 4 entries per team with relay scoring, see full scoring details [here](#))
9. 4x400 Relay

Athletes will check-in for field events at the field event location. All running events will check-in at the table by the 100m start line. The anchor for every relay, plus all 5k runners, will receive a hip number.

We will have a brief coaches meeting at the finish line at 4:45. Please bring your completed OHSA Certification forms to turn in at the meeting. All field event scratches and substitutions must be submitted by the end of this meeting. Pole Vault certification forms can be turned in at the event.

Awards will be available for pickup at the end of the evening in the press box. Please utilize the trash bag in your packet at your team camp. Bags can be left by the team gate at the end of the night. Coaches hospitality (pizza, chips, and water) will be located in the garage close to the spectator entrance.
