

Sat. - Pizza! Heat Pumps, Weatherization, Incentives Info!!

On **Saturday, March 8th**, starting at 10:30 at the Craftsbury Town Hall, the NEK area Energy Committees are hosting presentations involving **Vt. Energy Education Program (VEEP), Efficiency Vt., Heat Pumps, and Window Inserts!**

Pizza lunch is served at 12!!

Door Prizes - Firewood Moisture Tester and Smoke Alarm!!

Sign up for the **Five Free Window Insert Drawing!!**

VEEP will be conducting a hands-on workshop on “Home Heat Transfer”. The workshop will have activities where the participants will learn about the basics of heat transfer, how that applies to homeowners, and what they might consider to reduce heat loss in their home, and therefore both save money and stay warmer!

Efficiency Vt. will present their products, services, and incentives, including up to \$15,000 in Home Repairs to prep for weatherization, and up to \$9,500 in Weatherization costs, along with their offering of a free Virtual Home Energy Visit!

Heat Pumps - Info and discussion with Q&A on Heat Pumps with Bill Chidsey!

Window Insert Info w/ Model Insert - A simple application to help keep households warmer and save on heating fuel!

Apply for the **Five Free Window Insert Drawing!** (Drawing to be held on the 1st day of spring, 3/20!)

10 Free to Income-limited households! No application necessary.
