Dear Friends,

New York Quarterly Meeting would like to introduce our friend John Choe. John has been a member of Flushing Monthly Meeting of the Religious Society of Friends since 2013. John has served Flushing Meeting as Co-Clerk, as well as Clerk of their Peace and Social Action Committee. He is currently serving New York Yearly Meeting as a trustee. He has been a volunteer at 15<sup>th</sup> Street Meeting's homeless shelter and involved with Friends in addressing the needs of our larger New York Community.

Flushing Monthly Meeting has a long history of engagement with our Peace Testimony. John feels called to travel in his emerging ministry with our Peace Testimony.

We support this leading. As John travels among Friends and others, we trust he will continue his deep listening to the still small voice and witness how the Holy Spirit touches him. We hope as he connects with you, learning about your lives and lifting you up, this contributes to building and supporting God's Kingdom of Peace.

We hope that you will receive him with Love and hold him in the Light as he travels among you.

Signed on behalf of New York Quarterly Meeting,

Katherine Alford  
Clerk, NY Quarterly Meeting

Ed Elder
