Dear _____,

As a public school educator in [insert city/state], I urge you to oppose any efforts to dismantle the Department of Education. This vital institution provides crucial funding, oversight, and resources that ensure equitable access to education for all students. Weakening the Department jeopardizes essential programs like Title I and special education funding, undermines civil rights protections, and hampers innovation in education. Protecting the Department is crucial for supporting our students, schools, and the future of public education. I urge you to advocate for its continued operation and adequate funding.

Thank you,

“Hello, my name is [insert name] and I am a resident of [insert city/state]. I am calling because I am concerned with the potential dismantling of the Department of Education. The Department ensures equitable access to education for all students by providing crucial funding, oversight, and resources. Maintaining the Department of Education will demonstrate our commitment to prioritizing the needs of our students and the future of public education. I know none of us want to see an education system that fails to support all children. Please oppose any efforts to weaken or dismantle the Department of Education and advocate for its continued support when this matter comes up for a vote.”

School Choice

Form Email:

Dear _____,

As a constituent and [Your Affiliation - e.g., public school educator, concerned parent], I urge you to oppose the advancement of school choice programs in [Your State]. These programs divert crucial public funds away from traditional public schools, often with little accountability for student outcomes, and exacerbate inequities within our education system. Please prioritize strengthening our public schools, which serve the vast majority of students, rather than expanding school choice options. Thank you for your consideration.

Sincerely,

Form Email:

Dear [Representative's Name],

As a constituent and [Your Affiliation - e.g., concerned parent, educator, advocate], I urge you to oppose the lawsuit against Section 504 of the Rehabilitation Act. Section 504 is essential for protecting the rights of students with disabilities and ensuring they receive a free and appropriate public education. Weakening these vital protections would have a devastating impact on these students. Please stand up for the rights of students with disabilities and publicly oppose this lawsuit.

Thank you for your time and consideration.

Sincerely,
