

Unit 4 Suggested Timeline for College Board Assignments

Tues/ Thurs dates are for Odd periods- 1, 3, 5, 7

Wed/ Fri dates are for even periods- 2, 4, 6

DV- Daily Videos

TPQ- Topic Questions

REMEMBER YOU CAN CHECK/ GRADE YOUR OWN FRQs!!! YOU HAVE TO DO THIS IN ORDER TO RECEIVE FULL CREDIT ON YOUR ASSIGNMENTS!!!

The DVs are technically not due (meaning we won't check to make sure you watch them) but they contain GREAT information that helps clarify ideas in class!!! We are limited to the time in class we have so using the DVs will make sure you get EVERYTHING you need for College Board (who make your test!!!)

By Monday morning (BEFORE CLASS) 10/28 you should have completed:

- DV 4.1 Cell Communication
- DV 4.2 Introduction to Signal Transduction

By Tues. (10/29) or Wed (10/30) morning (BEFORE CLASS) you should have completed:
