Are you mad? Are you angry? Are you seething right now? Do you want to beat me up? would you kiss me

HI JILL! It's I, Anya Tsyuanoi. HAPPY BIRTHDAY UR 22! I hope you enjoy this mep :] the grind was real. We started it like, near end of March? So there was like 2 weeks to push through it and everyone slayed. I hope u have a lovely day and I have lots of fun talking to you in mlm :] happy birthday!!

- Anya

Hey Jill!!! Heyheyehheye!!!! hi !!!! We havent talked in a looooong long time but i still wish you the best!! You were one of the most fun people to talk with and im grateful to have been your friend 💕 I know my part isnt long at all but i still wish you an amazing birthday and a lot of fun and i hope one day we can start talking again if i come back to editing studios!! 😭
