

Junior Athlete of the Month

This award celebrates younger athletes (12-17 years) across all sports in our community.

Athletes must not be competing at a recognised senior level within their discipline. Please ensure you send a picture or video of your athlete when submitting your Nomination.

We want to hear what makes your nominee stand out from the crowd – let us know why in as much detail as possible, please try to avoid repetition.

Nominee Details

Name (s)	
Club Name	
Club Email Address	
Club Address (to post certificate if selected)	

Why do you think they deserve the Junior Athlete of the Month Award? *

--

--

Please list any competitions/events the Athlete has taken part in during the 2023 membership year. List any relevant milestones and significant achievements and how long the Athlete has been involved in the sport. *

--

Tell us more about the Athlete and how they have made considerable improvements in their own performance. Give as much detail about their involvement in their sport and any areas they have had a positive influence on. *
